

GRAHAM'S LODGE

The historic Graham's Lodge was built in 1890 on a hilltop in Vila Nova de Gaia, overlooking the Douro River and the city of Porto. Situated 3.5 kms from the Atlantic and some 300 meters from the Douro River, the Lodge benefits from a location that is ideally suited for the long ageing of Port in cask.

CONFERENCE ROOM

The conference room is located on the upper floor of Graham's Cellars and is fully equipped to host events such as meetings, presentations and workshops.

We offer coffee break options (prices available on request).
