

Ultimate Harvest Experience

Exclusive Experience: Ultimate Harvest Experience

We are delighted to invite you to the Ultimate Harvest Experience – a rare and exclusive opportunity to take part in time-honoured traditions at what is our family's favourite time of the year – the grape harvest.

Including visits to several of our estates and wineries (typically closed to the public) over three extraordinary days in the Douro Valley, the Ultimate Harvest Experience allows you to get closer to the action than ever before as you join members of our family and our harvest team as we follow our grapes from the vineyard to the winery and beyond.

From special tastings of our wines and ports to home-cooked meals in idyllic settings, each moment will be a chance to connect with the Douro Valley – a UNESCO World Heritage Site – as well as learn more about the immense history, heritage, and craft involved in producing truly exceptional wines and ports that are recognised all over the world.

Dates of the experience:
September 12th, 13th and 14th
